

Rave Reviews from Our Customers:

“Thank you for the prompt delivery and continuing quality we receive on our orders. I know I ask for parts sooner than I should, and you never let me down. My job is made much easier by vendors like CSS.”

- JACUZZI WHIRLPOOL BATH

“We are happy with CSS’ pricing and turnaround time. If I throw a rush order at them, they do everything in their power to get it done as quickly as they can... and we’ve been very impressed with that”.

- MONICA YOUNGHEIM, OWNER MERIDREW ENTERPRISES

“CSS is the most important vendor we have. Without them, we would be a different company.”

- BRIAN HUDSON, PACIFIC DRY GOODS, HAYWARD

Commercial Support Services

Let us give you a hand with your next production job!

With the perfect combination of equipment and workers, Commercial Support Services (CSS) can process even your biggest jobs quickly and efficiently. We can also handle small and medium-sized jobs. Whether it’s mailing, assembly, or packaging, we can help. Our three production centers, located in Richmond, Concord, and Antioch, are 8,000 to 10,000 square-foot facilities with loading docks and forklifts to speed up the handling of your orders. With our automated folding and mailing equipment

and hundreds of production workers, we have the resources to be your most reliable production source. Call the CSS production center nearest you.

What Sets Us Apart:

Personal pride, enthusiasm, and the “can-do” attitudes of our workers make the difference. Our workers are highly motivated. Our staff provides the supervision needed to assure success for our workers and quality for your product. Each job is finished to your specifications, on time, every time.

About Us: We are Commercial Support Services (CSS), a division of Contra Costa ARC. CSS is the largest employer of people with developmental disabilities in Contra Costa County.

When you need a hand for packaging, mailing, or assembly, we’re here for you.

Mailing Services

CSS has high-speed, automated equipment to process your job quickly and efficiently. We also have a large production crew to tackle hand work in a cost-effective manner. You can always look to us for help with:

- Mailings (any size and configuration)
- Local pick-up and delivery
- Ink jet addressing, CASS certification, bar coding
- Automated and special hand-inserting, sealing, folding, tabbing, collating
- Presentation folders

Packaging

CSS will package just about anything you can imagine. We can do all types of hand packaging quickly and affordably.

- Clamshells
- Boxing
- Bagging
- Labelling
- Re-packaging

Assembly

CSS offers a wide array of high-quality assembly services:

- Components
- Sub-assemblies
- Displays
- Binders
- Kitting

Some services not available at all production sites.

Our goal is 100% satisfaction!

Some of the many jobs CSS can do.

CSS:

- provides mailing services to John Muir Medical Center, Diablo Valley College, Allied Waste Services, The Wellness Community, and over 280 other businesses in the community.
- packages thousands of bags of screws in various amounts for USP Lumber.
- packages cleaning kits for Meridrew Enterprises. The kits are used to clean iPods, computer screens, and high definition plasma TVs.
- assembles disinfectant kits for Fresenius Medical Care in Walnut Creek. Fresenius was so happy with the work in our production centers, they have hired a group of four CSS workers to work at their facility in Walnut Creek.
- has assembled bicycle safety mirrors for over 20 years, and continues to increase the quantity produced year after year.
- has packaged over 1 million high-absorbency towels for Pacific Dry Goods.
- has conducted health survey mailings for a major Bay Area hospital for over 15 years.
- assembles food safety testing kits for the U.S. Department of Agriculture.

Commercial Support Services provides production services to hundreds of businesses throughout the Bay Area. Call us for a competitive bid.

About Contra Costa ARC

Commercial Support Services is a division of Contra Costa ARC, a nonprofit, community benefit organization. Founded in 1965, Contra Costa ARC provides programs and services to over 1,000 children and adults with developmental disabilities every day.
